

COVID-19 Impact - Ladysmith Little Theatre

Following the recommendations of Canadian Public Health Officials, the Ladysmith Little Theatre (LLT) is taking prudent action to protect our community, volunteers, members and sponsors and patrons. Effective March 16, 2020 the Board of LLT has decided to postpone its current theatrical season and activities. Please be advised that all activities at the Theatre will cease as of today and until further notice, the Ladysmith Little Theatre will be closed.

Our volunteers are working diligently to contact everyone affected by this closure. However, we do apologize in advance if we were unable to contact everyone. After a week, if you've been impacted by the closure but haven't heard from one of our volunteers, please contact the Theatre through email at info@ladysmiththeatre.com

Our passion to present quality, entertaining theatrical performances will continue in the future at an appropriate time. We are grateful for your support of our theatre and appreciate your understanding in LLT taking this necessary precaution.

We wish everyone to stay safe and to stay healthy. We look forward to seeing all of you soon.
